

Packing Supervisor

Leading Edge is an award winning large packaging printer based in Gravesend in Kent. It supplies major European FMCG Brands and UK retailers with bespoke printed packaging for their products.

With a workforce of 140 staff we have created 2 new roles in the business for packing supervisors. You will be required to work a rotating days and nights shift pattern (2 weeks days and 2 weeks nights)

You will be making sure the full control of staff at the packing area. Ensuring correct documentation is in place and packing is being followed as per procedure and packers are performing quality control checks on printed products prior to packing. Your role will be to ensure that this total area is working in a controlled clear efficient flow manner ensuring that the customer's specifications have been met. The position will be based in the factory environment

You will need to be proactive and motivated for this role and show good attention to detail and have the ability to follow written procedures, performing tests and documenting results. You will be educated to at least GCE standard and have good full colour eye sight.

In return we can offer a competitive salary with a monthly 10% bonus

Supervisory experience is essential for this role.
