

Slitting Supervisor

Leading Edge is an award winning large packaging printer based in Gravesend in Kent. It supplies major European FMCG Brands and UK retailers with bespoke printed packaging for their products.

With a workforce of 140 staff we have created 2 new roles in the business for slitting supervisors. You will be required to work a rotating days and nights shift pattern (2 weeks days and 2 weeks nights)

You will be making sure the correct jobs are being processed and that your team are working to correct efficiency targets, performing quality control checks on printed products that will be slit down and finished into final products for final dispatch ensuring that the customer's specifications have been met. The position will be based in the factory environment

You will need to be proactive and motivated for this role and show good attention to detail and have the ability to follow written procedures, performing tests and documenting results. You will be educated to at least GCE standard and have good full colour eye sight.

In return we can offer a competitive salary with a monthly 10% bonus

Supervisory experience is essential for this role.
